## DEDICATION

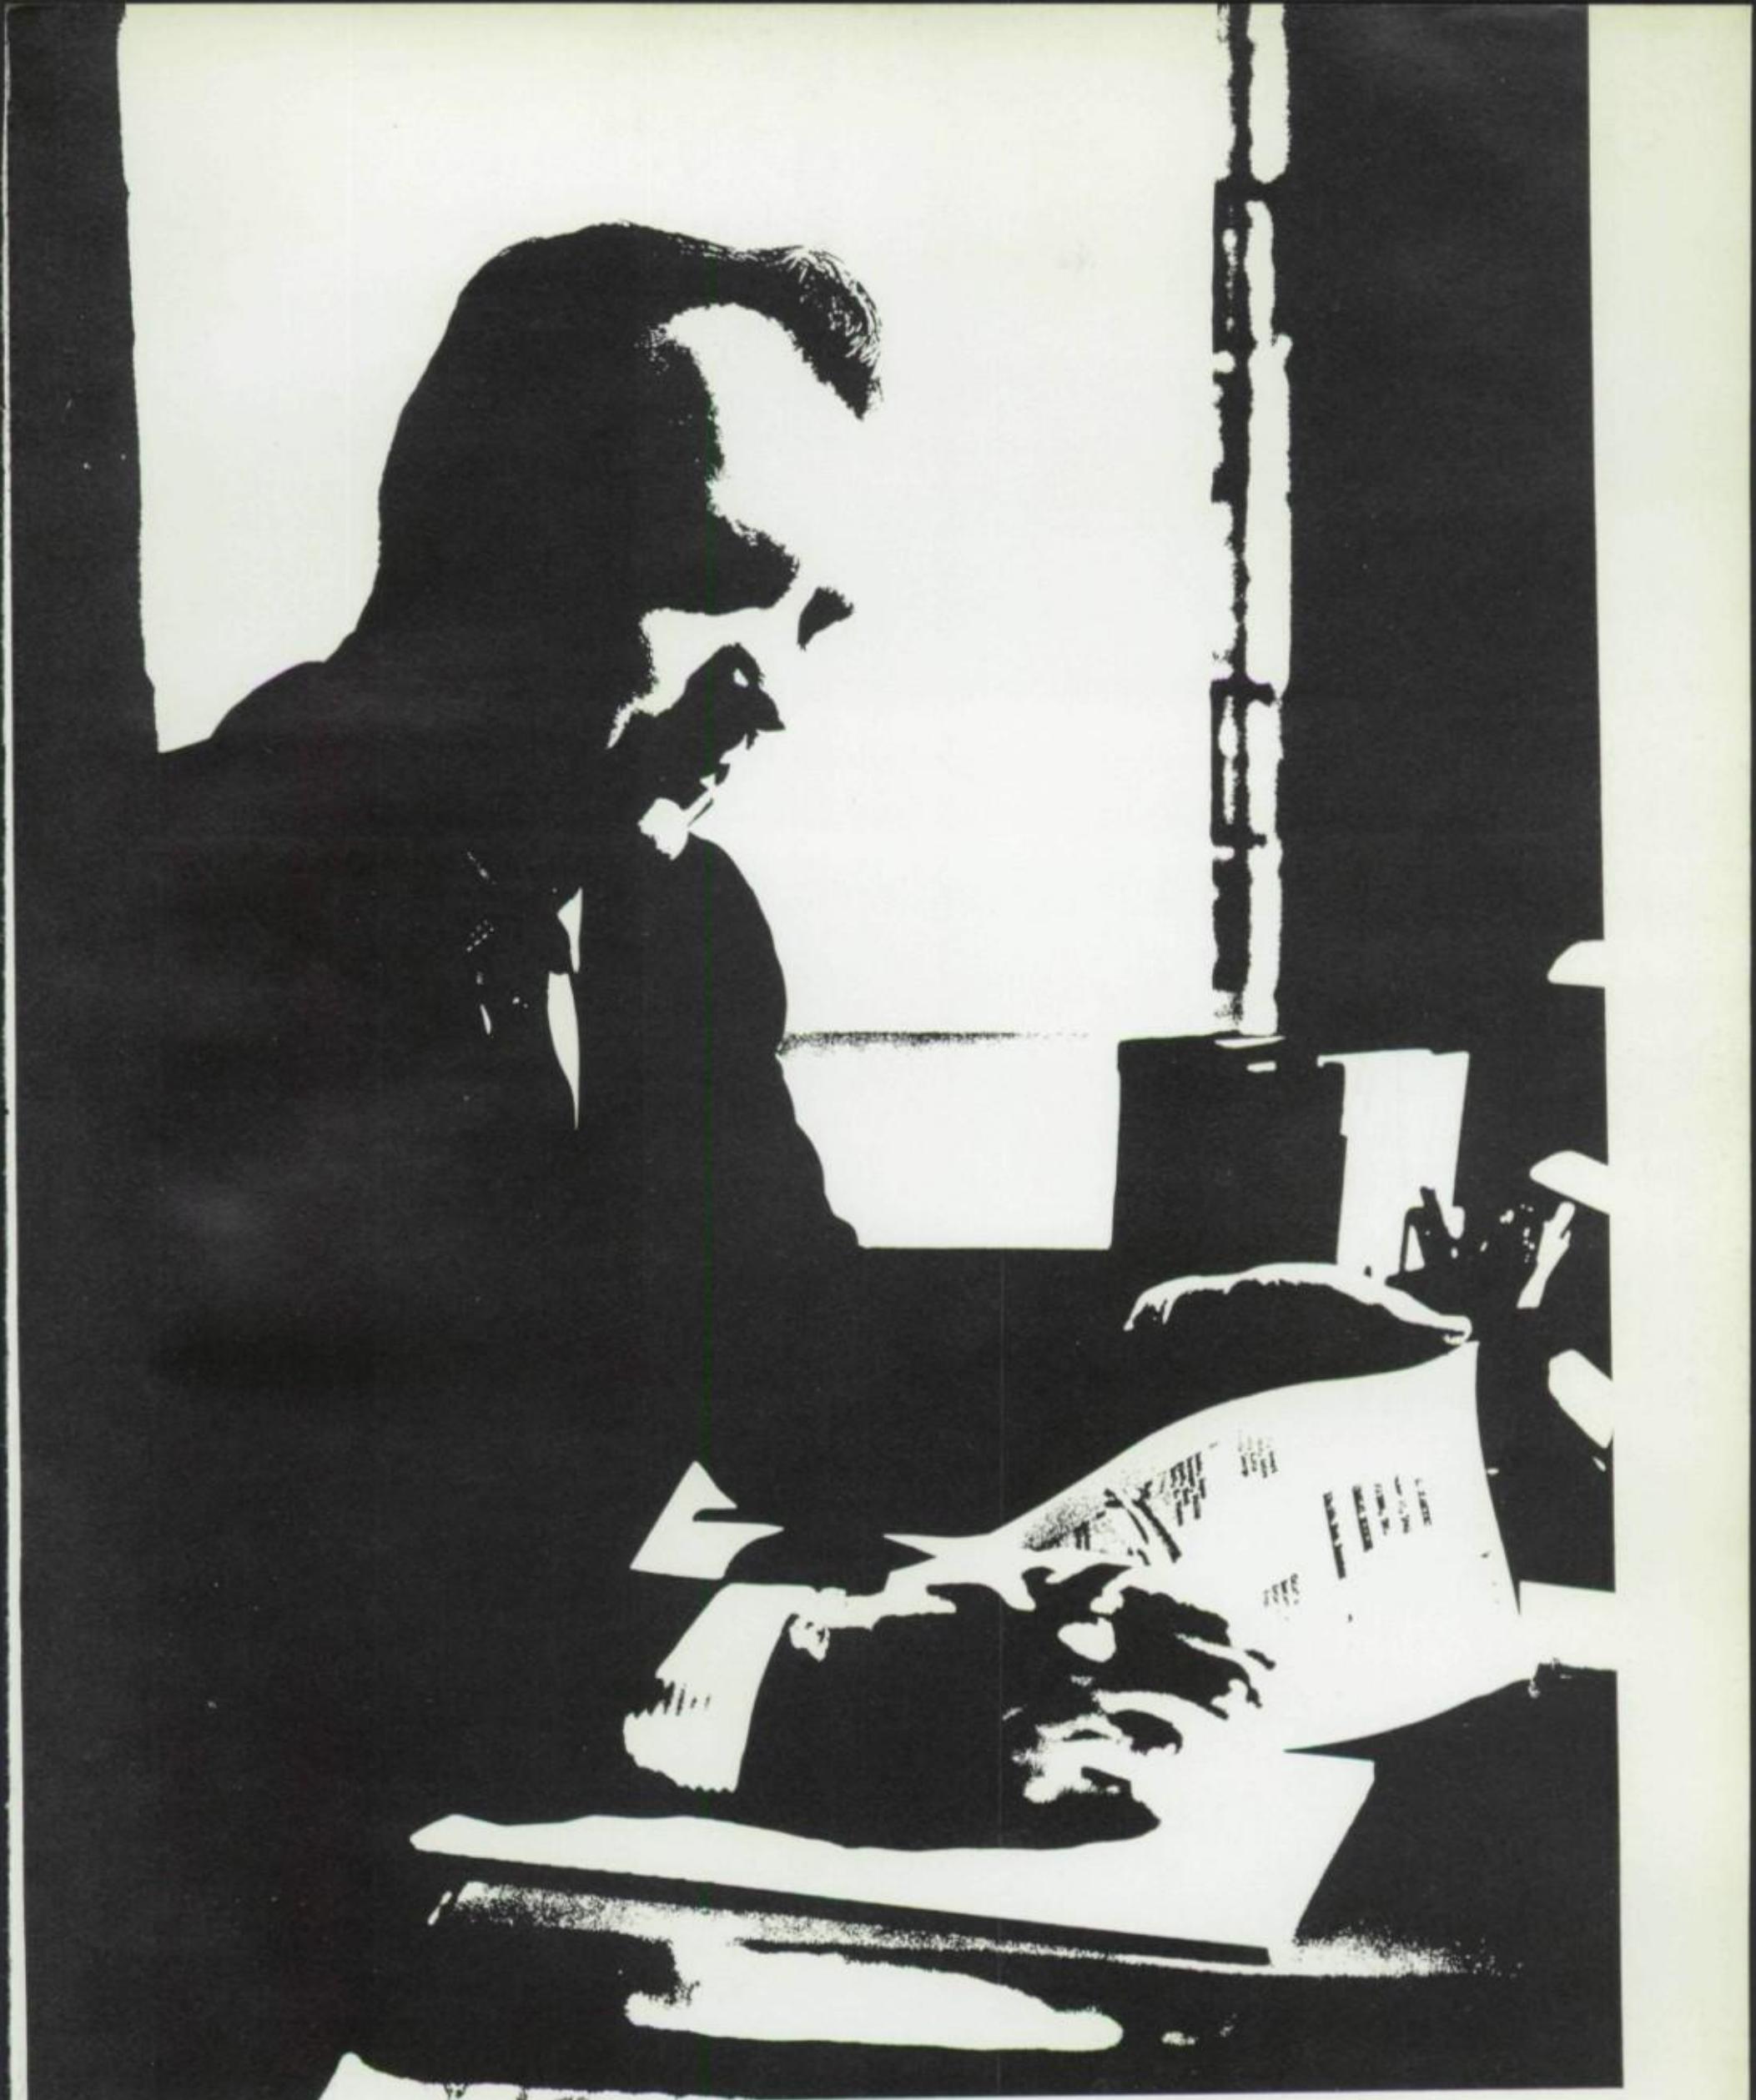

MR. FRANK E. HANSON

No one has done more for each Senior class during the past six years than Mr. Frank E. Hanson. As Assistant Principal, Mr. Hanson, co-ordinates all Senior activities. Since he has been at Central High, he has helped to graduate more than 1200 Seniors.

As well as being the Assistant Principal of Central High, he is now serving as Assistant Secretary of the Lions Club, and he is a member of the Stow Board of Education.

It is with deep admiration and respect that we dedicate the 1967 Wildcat to Mr. Frank Hanson.

#### MEANING IN YOUR LIFE

Education improves you as a person and it improves the community in which you live. Your education is your most valuable possession. The kind of person you are and your job opportunities are largely determined by your formal and informal education. What you learn in and out of school and the ways you use your knowledge and skills are most important factors in your life.

Your education begins as soon as you are born. It becomes organized and formal during the years you attend school, tuition free until graduation from high school. Many students plan to continue their education after high school at their own expense. Most of you will find additional education necessary to reach your full potential in life.

Your formal education in school introduces you to a continuing succession of new experiences, facts, ideas and to the understanding that everything changes. I urge you to continue to use the basic educational tool, reading, to keep up with the changes in our world and to broaden your interests in life. Build the habit of reading a good daily newspaper every day; get used to reading a quality newsmagazine each week and learn to enjoy first rate monthly magazines and books.

My best wishes go to each of you for meaning in your life. John Gardner, Secretary of Health, Education and Welfare, has described meaning in your life as something you do not stumble across, like the answer to a riddle or the prize in a treasure hunt. Meaning is something you build into your life. You build it out of your own past, out of your affections and loyalties, out of the experiences of other people, out of your own talent and understanding, out of things you believe in, out of the things and people you love, out of the values for which you are willing to sacrifice something. You are the one who can put these things together in the pattern which will be your life.

## *Our Town*

This year the senior class produced Thornton Wilder's "Our Town." The play revolves around the lives of George Gibbs and Emily Webb. "Our Town" is a three act play; each act is devoted to a phase of George and Emily's lives.

The one aspect that makes this play different from most drama is the lack of scenery. Ladders, chairs and tables compose most of the sets.

This year our Candy Sale, was kicked off with "Comic Strip Alley." The assembly had many favorite comic strip characters. Among them were Popeye, Nancy, B. C., and all the characters from Peanuts.

Charlie Brown's baseball team needed a new pitcher, so all the team sold candy to buy Sandy Koufax.

## Best in State

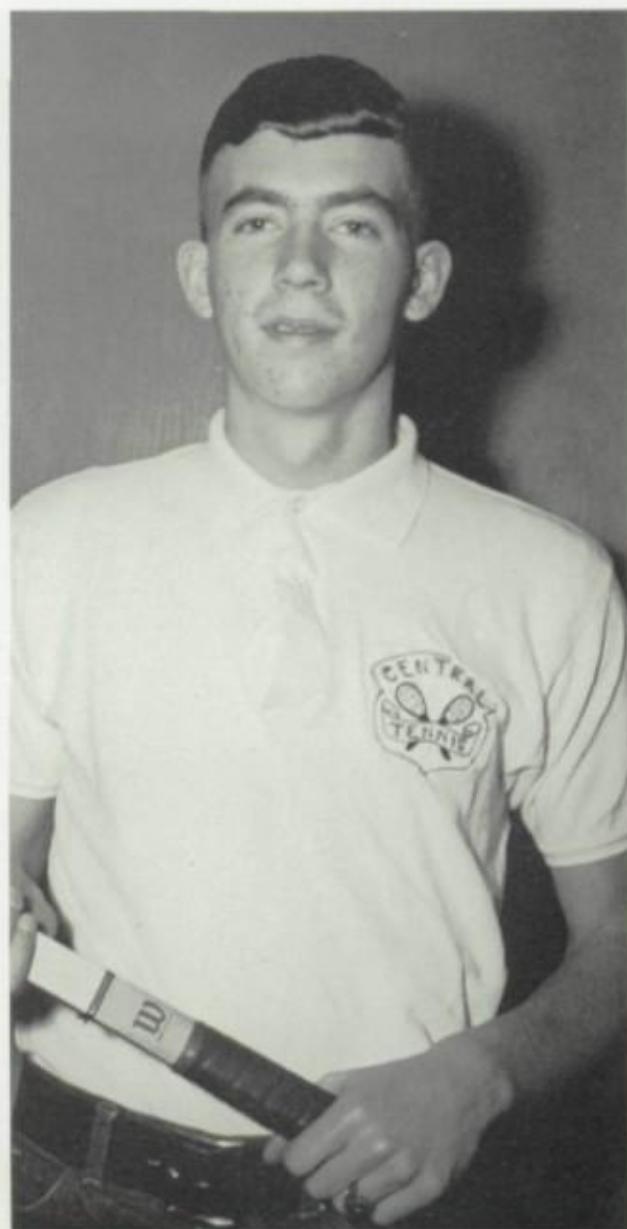

### 30 Wins - 3 Losses

Central won their first City and Greater Akron Tennis Championship in history by defeating Hoban in the season final game 4-1. The team broke all individual and team records. The team's season record of 30 wins and 3 defeats will probably never be broken. The record gave Central the No. 1 rating in the state. Their two year record shows 51 wins.

This was truly a team accomplishment. All members of the team were responsible for several varsity wins. Big wins of the year were over Firestone, Massillon, Warren Harding, Canton Glenwood, Canton Central Catholic, Youngstown Boardman, Cleveland South, Coshocton, and Cuyahoga Falls. This schedule has established Central as No. 1 in the state.

The past year, Student Council continued their record of leadership and service. As before, Student Council sponsored Club Night, with the theme 'Wild Wild West', the Candy Sale and traditional May Day. With the recommendation of Executive Council the constitution was completely revised and updated. Student Council also obtained a Wildcat painting for the Main Hall. A big hand of thanks should go to our General and Executive Council along with our faculty advisor, Mr. Raymond Gross.

## WILDCAT BAND

No one can know the thrill of being a Wildcat Band member until he has become one. No replacement can be found for the proud feeling one gets after performing a perfect halftime show or the embarrassment of misplacing oneself on the football field.

A band member never forgets the fun he had on the Senior Bus . . . singing of the fight songs, confusion of the jam sessions and the loyal reverberated yelling of the cheers. And of course, no one can forget Mr. Arnold sitting in the front seat wishing the bus driver would go a little faster.

## A MEMORIAM FOR BARBARA WAGNER

It is not growing like a tree  
In bulk, doth make man better be;  
Or standing long an oak, three hundred year,  
To fall a log at last, dry, bald, and sere;  
A lily of a day  
Is fairer far in May,  
Although it fall and die that might--  
It was the plant and flower of light.  
In small proportions er just beauties see;  
And in short measures life may perfect be.

Ben Jonson

## ALL-CITY CAPTAIN

Once again Central High School came up with a winner. Senior Leroy Lewis was named honorary captain of the All-City Basketball Team. This honorary position was awarded Leroy because of his outstanding basketball abilities. Coach Siegferth says "Without a doubt, Leroy is the best guard in the city." Along with being a good guard he averaged 19 points a game. Also chosen for honors were Terry O'Conner and Jim Dullen. Terry was named to the second team of the All-City Team and Jim was awarded a city-wide honorable mention.
